

## Certificate of Conformity with the Taint and odour Requirements of EC Regulation 1935 (2004)

**Certificate no: 2018/5719**

**Product Name:** HD 6070 UA

**Date of Issue:** 24 October 2018

**SMP Ref No:** 18A12J6833

**Manufacturer:** Sidi Kerir Petrochemicals (SIDPEC) Egypt  
El Amerya  
Nahda Territory  
Alexandria  
Egypt

A sample of the above product has been tested for sensory analysis (taint and odour) using methods BS EN 1230-1 & 2; 2001, with the test conditions listed below.

Taint test Test Food	Test Conditions	
	Duration	Temp/°C
Milk chocolate; direct contact	2 days	23°C

Odour test Test Conditions	
Duration	Temp/°C
1 days	23°C

The taint and odour results obtained showed that the product did not transfer substances to the test food causing it to become tainted.

***The above product was therefore found to be in compliance with the taint and odour requirements of EC Regulation 1935 (2004).***
