

Certificate of Conformity with the Taint and odour Requirements of EC Regulation 1935 (2004)

Certificate no: 2018/5721

Product Name: HD 5502 GA

Date of Issue: 24 October 2018

SMP Ref No: 18A12J6833

Manufacturer: Sidi Kerir Petrochemicals (SIDPEC) Egypt
 El Amerya
 Nahda Territory
 Alexandria
 Egypt

A sample of the above product has been tested for sensory analysis (taint and odour) using methods BS EN 1230-1 & 2; 2001, with the test conditions listed below.

Taint test Test Food	Test Conditions	
	Duration	Temp/°C
Milk chocolate; direct contact	2 days	23°C

Odour test Test Conditions	
Duration	Temp/°C
1 days	23°C

The taint and odour results obtained showed that the product did not transfer substances to the test food causing it to become tainted.

The above product was therefore found to be in compliance with the taint and odour requirements of EC Regulation 1935 (2004).
